- **Core Concepts & Languages:** Data Structures & Algorithms (DSA), OOP | Python, C, C++
- **Tools & Server Platforms:** Git / GitHub, VS Code, CodeBlocks, cPanel Server
- **Problem Solving:** [CodeForces](#) 88 problem solved [LeetCode](#) 57 problem solved

WORK EXPERIENCE

Backend Developer | Amarsoft Solutions Ltd

January 2025 – Present | Mirpur-1, Dhaka

- Architecting scalable web applications and secure core business logic using Python and Django.
- Developing, testing, and maintaining robust and clean RESTful APIs using Django REST Framework (DRF).

Full Stack Developer | Royalsoft LLC

July 2023 – December 2024 | Khilkhet, Dhaka

- Built full-stack commercial web systems, handling database optimization and client-facing interfaces.
- Managed database configuration, complex relational queries, and data logging blueprints for production.

PROJECTS

- [Suhrid Srijon Foundation](#) | Django, JavaScript, Bootstrap, MySQL, cPanel

A voluntary web platform with role-based member dashboards, welfare application modules, and a community blood donor management database.

- [Rabi Shop \(E-commerce\)](#) | Django, JavaScript, Bootstrap, MySQL, cPanel

A premium retail e-commerce engine featuring dynamic automated stock monitoring, category filtering, and SSLCommerz transaction flows.

- [Studio 3.18 Portfolio](#) | Django, AJAX, Bootstrap, JavaScript, MySQL, cPanel

A high-end corporate architecture showcase built with custom short video reels, layout galleries, and real-time client consulting pipelines.

- [UMSA Family Portal](#) | Django, JavaScript, Bootstrap, PostgreSQL, cPanel

An association management engine automating membership approval queues, ledger tracking systems, and emergency blood search networks.

EDUCATION

- B.Sc. in Computer Science & Engineering (CSE) | Pabna University of Science and Technology | 2017 – 2023 | CGPA: 3.05
- H.S.C. (Science) | Armed Police Battalion Public School & College, Bogura | 2015 | GPA: 4.83
- S.S.C. (Science) | Kagail Karuna Kanta High School, Gabtali, Bogura | 2013 | GPA: 5.00

ACTIVITIES & OTHER ROLES

- Project Lead Developer: "Social Safety Net System" at Gabtali Upazila Administration, Bogura (July 2023 – Dec 2024).
- Surveyor and Data Entry: Collaborated on research mapping with the center CEGIS (April 2024 – Sept 2024).
- Leadership Roles: Former President of United Students of Bogura and Former General Secretary of UMSA Association.

LANGUAGE

- Bangla (Native) | English (Comfortable)
